Coffee

Our coffee is handpicked from a signature coffee plantation, Mooleh Manay Estate, located near the backwaters of the Harangi dam in Coorg, a region nestled in the Western Ghats of Southern India.

The plantation is sustainably cultivated with predominantly shade grown Arabica, and at 1000 feet above sea level, is nestled in one of the world's top 10 hottest biodiversity hotspots, the Western and Eastern Ghats.

We freshly roast our coffee in small batches locally in London
